Private 1-1 Online Chess Lessons

Effective August 10th, 2020

Frequently Asked Questions

- Question: What do I need to participate in this online lesson?

Answer: You will need the application Zoom installed on your device. Zoom can be installed on PC, Mac, iPhones, iPads, Android mobile phones, and tablets. You can go to Apple's App Store, Google Playstore, and Zoom.com to install the software. The software is free. If you have a microphone, you can ask questions by voice. Otherwise, you can ask your questions by typing your message in Zoom. You do not need a camera connected to your device. However, we recommend using a PC or Mac over a tablet/phone, because the interaction with the coach would be easier.

A Meeting ID will be provided by the coach to the students who register in advance. The students will then enter the meeting ID into the Zoom app (or a URL in a web browser) and will be automatically brought into the online classroom. The student should type his/her First Name when entering the session such that the coach can identify who they are.

- Question: When are your sessions?
 - Answer: The Private Sessions are at mutually agreed times. The session lengths can be 1 hour and 1.5 hours.
- Question: How will the lessons be conducted?

Answer: The coach will select games to review. The games will be selected from the actual games played by those attending the lesson. Yes, we have a record of every game and every move on the students' chesskid accounts. If the students do not have a Premium Chesskid account, we would provide one to you. We will also work on chess puzzles and discuss strategies. The objective is to help the students understand how they could help themselves improve as a chess player.

- Question: What is the cost of participating in these lessons?

Answer: The online private lesson rate is \$400 per hour, and \$500 for 1.5 hours. The 1.5 hours are recommended only for strong intermediates and above.

- Question: Are there long-term commitments?

Answer: No. There are no long-term commitments.

- Question: How do I register?

Answer: Please send a message to
